CenterPoint Energy and the Houston Fire Department Team Up To Alarm Houston

Volunteers from CenterPoint Energy and other volunteer organizations will team up with the Houston Fire Department to install smoke detectors in the Manchester area of Southeast Houston Saturday, November 10, 2007 9:00am-1:00pm Manchester area of Southeast Houston Key Map 535 B, C & D.

The HFD Command Center will be located at Hartmann Park. This is all part of the "Get Alarmed Houston" free smoke detector program which is only possible due to grant and private/ corporate donations. CenterPoint Energy has donated \$10,000 to the "Get Alarmed Houston" program and today will help install the detectors they help purchase.
